CHALLENGE YOURSELF

Challenges are a great way to enjoy a little healthy competition - solo or with a team. Find your next Challenge or see how you're doing in a Challenge you're already part of.

[Check out Challenges](#)

1. From the main Dashboard, click “Check out Challenges” or click on “Challenges” in the top menu.
2. Create your own challenge or click “Challenge details” to join a Challenge that already exists.

The screenshot shows the Go365.com website interface. At the top, there's a navigation bar with 'MyHumana Go365', 'Welcome, Barb', 'My Profile', 'Español', 'Contact Us', and 'Sign Out'. Below this is a dark blue header with the 'go365' logo and menu items: 'Dashboard', 'Activities', 'Challenges', 'Eat Healthy', and 'Shop'. A 'Quick Links' button and notification icons are also present. A progress bar shows '34,408 Points' and a goal of '77,313'. The main heading is 'Challenges' with a subtext: 'Enjoy a little healthy competition! Earn Points by participating in Challenges.'

The main content area is titled 'Your Challenges (1 of 2)' and features a card for 'Summer countdown' (steps, anyone can join | 13570 member(s)) from Sep 01 to Sep 30. Below the card are tabs for 'Rank', 'Messages', 'Individual', 'Your team', and 'All teams'. The 'All teams' tab is selected, showing 'anyone can join' is in 1,555th place. A note states: 'Leaderboard updates once a day, so check back daily for changes! Note: So that teams of any size can be competitive, teams are ranked by average daily steps.' There is a search box for teams in this challenge.

On the right side, there are two panels: 'Create your own' with a 'Create Challenge' button, and 'Join a Challenge' with a 'Challenge details' button. A '17 DAY' badge is visible in the 'Join a Challenge' panel.
